Habitat: Dave Whitt reported Habitat Day will be February 11, 2006.

CFAB: Bill Hilts Sr. reported on the meeting of January 9, 2006.

NYS is now down below 500,00 big game license holders. A few years ago we were over 700,000. The prediction for license sales declined this year is 5%.

CFAB has started lobbying state legislators in Albany working for passage of 14 and 15 year old big game bill and legalizing the crossbow. The FWMA, SCJ, NYSCC and others are doing the same thing. Urge everyone to write letters, emails and phone calls to state legislators.

Proposed changes to fishing regulations — a good amount of opposition is showing up. Most concern is over extended “Bass Fishing Rules.” Many believe it is for tournament fishermen. Not true — rule requires the fish to be released immediately. These proposals have been on the table for over a year. A meeting is Syracuse in December, showed no opposition.

Firearms Legislation: Bill Hilts mentioned that Wally John, Legislative Vice-President of the NYSCC interview Eliot Spitzer for the January 2006 Grass Roots News. Bill recommended everyone read the article, in his opinion it has hurt the NYSCC.

John Butcher announced Francine DelMonte requested he and Secretary Bill Mudge represent the Niagara County Federation of Sportsmen at a meeting at the Hyatt this Thursday at noon to meet with Eliot Spitzer’s staff. John thought we ought to attend because Francine DelMonte has been good to us by voting for sportsmen’s issues and getting the \$5000.00 grant for the NCFCC Trailer.

Bill Mudge stated since he was the secretary of the Federation and will attend this meeting out of respect for Francine DelMonte. Bill said he is only interested in 2nd Amendment, hunting, fishing and conservation issues. Bill doesn’t think Eliot Spitzer is a friend of the gun owners, sportsmen and conservationist in Western New York. Spitzer has sued gun manufactures with our tax money. Bill said he has concerns over COBIS, the 50-caliber assembly bill and would like to see the Eddie Eagle gun safety program introduced into the schools. Bill said he would express these views at the meeting.

Region Nine Fish and Wildlife Board: - Greg Tessmann

Greg reported they are working on a conservation and eco-tourist idea for the Seneca White Tail

Deer. <http://www.senecawhitedeer.org>

Greg reported the **DEC** is preparing a soft launch fishing access site in Tonawanda

Creek in rapids. Greg is still working on draft for opening land for hunting on private property. Greg reported we need a legislative representative to the Fish and Wildlife board. The board deals with habitat and public access. President John Butcher will make calls and try to get someone from the Niagara County Legislature to represent us.

NYS Conservation Council: Dale Dunkelberger

Gerry Bennett announced he retired and Dale Dunkelberger is taking his place on the council.
